

Experience the best of Northern Vietnam from cruising on Halong Bay to trekking through the hill tribes of Sapa.

Day 1 — On arrival in Hanoi you will be met by your private driver and guide and transferred to your hotel.

Day 2 — Your guide and driver will meet you this morning for your private full day tour of Hanoi. Highlights of the day include visiting the HCM Mausoleum, Temple of Literature and a fascinating one hour walking tour around the "old quarter"

Day 3 — Full day at leisure to explore the sights and sounds of Hanoi at your own pace.

Day 4 — This morning you will Transfer to the UNESCO World Heritage listed Halong Bay for your luxury two night cruise on a traditional Vietnamese junk.

Day 5 — Full day of cruising on Halong Bay.

Day 6 — This morning you will cruise back to the harbour where you will be transferred back to Hanoi. You will have some free time in Hanoi before being transferred to the station where you will take the overnight train to Lao Cai – the gateway to the hill tribes of Sapa.

Day 7 — On arrival in Lao Cai you will be met and transferred to the Victoria hotel in Sapa. Afternoon at leisure to explore Sapa at your own pace.

Day 8 — You will be met by your guide this morning for your full day tour out to the colourful Bac Ha Markets where the hill tribes of this remote region of Vietnam come to sell their goods.

Day 9 — Today you will enjoy some leisurely walking through the countryside through local villages and rice fields which is a great way to meet the locals who more often than not will invite you into their houses for a cup of tea or some potent local rice wine! This evening you will take the overnight train back to Hanoi.

Day 10 — On arrival in Hanoi you will have time to freshen up and have breakfast at a mini hotel before being transferred to the airport for your flight back to Australia.

Prices will depend on travel date, hotel choice, room category and number of people travelling. Please note that all our itineraries are flexible and can be altered to suit your requirements.
